Percent satisfied with school-home relations	61.9%	73.2%	82.4%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ebenezer Middle School is committed to the development of each student as a lifelong learner through a comprehensive and challenging educational program that embraces the best of traditional and innovative practices within a caring, supportive, and safe community of learners. We are pleased with the culture we have created at our school which provides every child a challenging curriculum while at the same time, responding to their developmental needs. Not only are our students learning the core curriculum but they are also learning how to become good stewards of their community through our commitment to service learning.

Our students have participated in several service learning projects during the year such as successful fundraisers for the American Heart Association, the Leukemia Association, and Relay for Life. Our students and faculty organized an Ebenezer Road Clean-up to keep our part of the community litter free. Dozens of cookies were baked for the airmen at Shaw Air Force Base in our Shower Shaw with Cookies event. Donations were made to support Operation Christmas Child and two community animal shelters. Ebenezer's Future Business Leaders of America (FBLA) is the largest middle school FBLA in South Carolina. One student has been selected as the S.C. State Middle Level Representative. They have also won the Go Green National Award for the second year in a row. Members have placed first in several categories in state-wide competition, placed first in completing their Activities Report and raised money for the March of Dimes. Their sponsor has been selected as the South Carolina FBLA Middle Level Advisor of the Year.

Because of our increasing use of technology, our newsletters, e-mails, and website help to keep our parents connected to our school and informed about their child's progress via the Parent Portal, a web-based program which allows parents to view their child's grades, attendance, and discipline twenty-four hours a day. What is most notable is how our entire faculty analyzes Measure of Academic Progress, classroom and statewide data in order to find ways to improve student learning. We are pleased with the progress our students continue making academically, socially and environmentally. Our students' results are in direct relationship to the dedication of our teachers, the support of you, the parents, and the desire of our students to be their best. Ebenezer has received a federal rating of "A" as well as a Palmetto Silver Award for Improvement of test scores of highly underachieving students. The criteria address improvement of performance in the historically underachieving subgroups, which are minority students, free/reduced price meals students, and students with non-speech disabilities. Next year's focus will be on implementing the Common Core Standards.
